TEACHERS for LAMBUNAO

A champion teacher is a caring teacher

This is one of 6 habits that make a Champion Teacher. The Teachers For Lambunao (TFL) is a movement and a formation program that aims to grow these habits and core competencies in our teachers. Support them in their year-long journey with us. When this is accomplished, it is our children who benefit the most.

Individual scholarships begin at five thousand pesos (P5,000.00)

I don't need someone
who's looking for a
job. I'm looking for
someone who works
to create a better world.

I'm looking for 2 executive assistants. Applicants must love working with people, doing research work and project management. Areas of focus will include agriculture, education and public health.

Should you get accepted, I assure you that this will be the most difficult thing that you'll ever do, but also the most rewarding. Come with me and let's build great things.

Kindly email your CV and cover letter to jaegonzales@gmail.com before June 7, 2016.
